KARMA

on the Karmic Retribution sheet is enforced upon both writer and receivers.

I get to script my vengence?

SWEET—

Oh. disclaimer: Your assailants are entitled to their own Karmic Retribution sheets

Once they arrive here upon being slain by your request

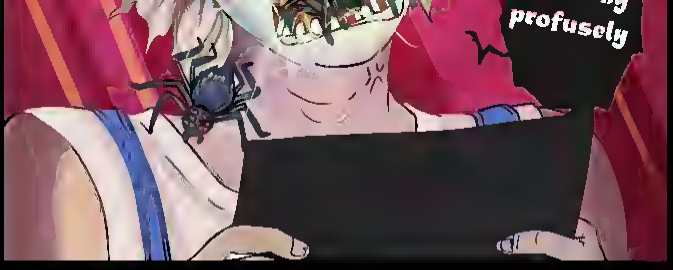
Any special requests before you move on to your next life?
Talk fast I ain't got time for this

YEAH! I was clubbed to half dead. They skinned me while I was still conscious
I demand justice and retribution against my assailants



Upon serious contemplation,
the man decided to spare himself the potential misery caused by remaining in the vendetta cycle.
He wrote "May they be rich, live happily ever after with whole tits load of booties in their next life."

Oh, disclaimer:
Positively written things apply only to the writer.
But they're not allowed to know until after the facts

SNAILORDS

Contemplation: Think about, ponder, reflect on, consider

I hope you guys enjoyed this mini short story.
It's sort of an excerpt from Nightmare Factory.
You can read more Kissae by going to the Challenge League and find Nightmare Factory.
Gratitudes for still reading Snailogy!
